Enriquecer
Y Animar
El Espíritu Humano

Nuestra Inspiración

“Primero que todo, el latihan kejiwaan es el despertar del alma humana de acuerdo con la Voluntad de Dios Todopoderoso

y segundo, es el despertar de la cultura humana . . .”

— *Bapak Mhd. Subuh, Londres, Inglaterra, Mayo 23, 1976*

Mas Inspiración

“Esta es la razón por la cual Bapak tomó la decisión de establecer un ala Subud llamada la Asociación Cultural Internacional Subud, o SICA.

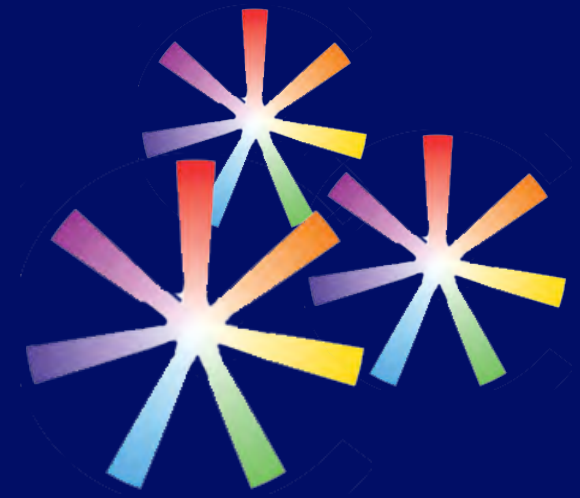

Bapak esperaba que a través del SICA, los miembros Subud que tuvieran TALENTO en un campo particular crearan algo realmente nuevo o diferente, algo que tocara a otras personas, es decir, a las personas que no están Subud, gente fuera del Subud.

Claves para actuar

Así que esperamos que el Subud se extienda a través del SICA —por medio de actividades que otras personas puedan ver. . .

De acuerdo con Bapak, SICA es para actividades que surgen del desarrollo del alma.

¿Por que?

Para el desarrollo de los valores humanos.

“Brothers and sisters whom I love and respect. . .”

¿Cómo? A través de los sentimientos

WORSHIP GOD WITHOUT DELAY

We pray to Almighty God.

May we receive God's blessing,

May your latihan spread everywhere,

May it become the foundation of human character

And spread through the world.

For indeed such is the reality.

The duty of all mankind is to worship Almighty God,

So that their hearts and minds may be at peace,

So that in turn the world may become

Peaceful and calm for mankind. . . .

Poets and Poems that have inspired us.

Sometimes, along with the great poems in our literature, other voices also reach us — that touch us in that place that longs to be truly human. Here are a few — known and not so known — that we encountered doing Poems for Peace.

Amazing Peace
by Maria Angelou
In our joy, we think we hear a whisper. At first it is too soft. Then only half heard. We listen carefully as it gathers strength. We hear a sweetness. The world is Peace. It is loud now. Louder than the explosion of bombs.

— Pablo Neruda

Dear Stefan,
So much wonderful news to share with you. Sit back, and enjoy.

Kindness, a popular poem for Poems for Peace events in 2013 — and a key theme of our SICA work

Roxanne Reicheg, (actress "Julie Payne") gives a big hug to Elna Cooke for the great event at Los Angeles. (Elna organized it with Roxanne's help). Roxanne also read Naomi Shinab Nye's poem, Kindness, at the event. The poem seems to speak to people all over the world — and especially to Subud people.

Didn't our beloved Vanindra Vittachi remind us all, before he passed on, to "be kind." Especially since "kind" comes from "kin" — family. So we have featured this poem — and a link to the poet's amazing story of what led her to literally "receive" this poem — on our Poems for Peace site. A must read.

Poems for Peace 2013 Reaches Millions More. More Subud groups involved too.

SICA receives Proclamation from Mayor of Austin, Texas proclaiming September 21 2013 POEMS FOR PEACE DAY in Austin

Here is SICA chair Latifah Taormina with Austin City Council Member Laura Morrison, Austin Chronicle Arts Editor Robert Fairies — and the proclamation!

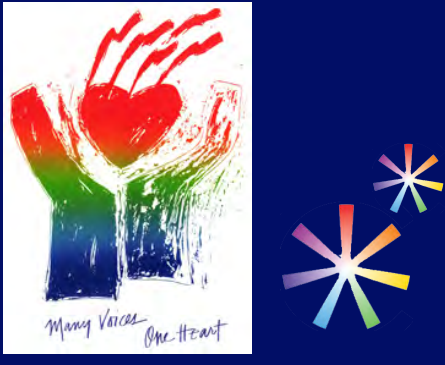

We're already exploring a city-wide celebration of Peace Day next year. Be sure to visit our Poems for Peace website for a full report and LOTS of pictures from events around the world.
